Piece of the Party

Gift Baskets, party favors, décor & MORE!

Having a successful gift basket business for over 15 years, I have graduated to party planning!

I will work with you to develop the perfect party, or party additions that will have your family and friends talking for years!

Pricing:

Just like every party is unique, so is the pricing. But to give you an idea:

Baby Showers:

Diaper Cakes: start at \$100

Washcloth Roses: start at \$3 per stem

Bootie corsage: start at \$10

Clothes line: starts at \$40

Chocolate lollipops: start at .85 each

Party Planning.

In addition to the cost of the actual party, I charge \$25 per hour for my expertise, plus transportation costs.

I like to work with your "stuff" when planning a party to be held in your home. This way the party has more of a personal feel and you get to show off all of your "pretties" (i.e., Heirloom, wedding gifts, hostess gifts ,etc...)

Gift Baskets. Start at \$50.

The sky is the limit with my imagination and creativity. Just give me a theme and watch out!
